

Metro Samvaad on the possible traffic problem on Karve road

Pune, March 14, 2018: MAHA Metro Rail Corporation is handling the work of Pune Metro Project which is currently in progress from Vanaz to Ramwadi in Pune city. While the Metro project is underway, civilians are likely to face some problems of transport. For finding answers to these problems, MAHA Metro Rail Corporation is organising 'Metro Samvaad' on Friday, March 16, 2018, at 6 pm at Siddhartha Hall, Maharashtra Rajya Marathi Patrakar Sangh, behind Dixit Petrol Pump, on Karve Road, Pune.

This talk is open and free for all. MAHA Metro has appealed citizens to participate and share their queries regarding Metro project with authorities.

Shashikant Limaye, Advisory Consultant, MAHA Metro, Ramesh Roa, Government Advisory Consultant for Metro along with other officials of Pune Metro Project will be present on this occasion and will answer the questions of the citizens. Now, the work of two Corridors of Pune Metro Project, Pimpri-Shivajinagar in Pimpri Chinchwad area and Vanaz to Ramwadi in Pune area is going on in full speed. MAHA Metro regularly organizes Metro Samvaad with the help of citizens for the purpose of taking a positive path on the traffic problems that are commensurate with this work.
