PUBLIC NOTICE

Cut-off-date for Resettlement & Rehabilitation: PCMC to Nigdi Metro Project

Maharashtra Metro Rail Corporation Limited, Pune Metro Rail Project is implementing PCMC to Nigdi Project covering 4.413 KM with 4 stations under Phase 1, North extension under Pimpri Chinchwad Municipal Corporation Limits.

Existing road right of way (RoW) is being utilized for the construction of the project and acquisition of about 5579 square meters of additional land including government and private land, is proposed for the project. The project impacts various commercial and residential structures owned by titleholders and non-titleholders, within the area required for metro construction.

Project census survey and consultation with stakeholders as a part of social impact assessment was carried out between 18th June to 1st July, 2024. It is hereby declared that start date of the project census survey i.e. "18th June 2024" as the cut-off date for eligibility and entitlement of affected people for the compensation and assistance. Any person moved into the proposed corridor of impact and reported after this cut-off -date will not be eligible for receiving any kind of compensation and assistance under the project.
